

**MATCHING THE RIGHT PERSON
WITH THE RIGHT POSITION AT
THE RIGHT TIME**

Are you looking for an internship, a work placement or a research contract? Martin Staffing Services, Inc., offers an internship opportunity to students in the metropolitan Atlanta area. Whether you have a vocational training certificate or are studying at postgraduate level, Martin Staffing Services, Inc. may have a job to suit you. Offering internships to college students who have completed two to five years in higher education is a great opportunity for career advancement. Positions are available for motivated, ambitious students. Our professional staffing firm works with students on job training in an effort to get them ready for their professional career.

Business internships are the best way to bridge the gap between going to school and landing great job. Internships can help provide valuable work experience by honing their skills from experienced professionals. At the end of your internship, you'll have relevant experience to help you determine whether to start your career in the same field as your internship. It answers the tough question, "Is this the right choice for you?" Another proven fact is that seven out of ten internships result in a full-time job offer. This means interning in Atlanta, GA can also serve as the foundation to landing a full-time job after graduation.

Internship opportunities represent the student's future. So, Martin Staffing Services, Inc., gives them special treatment and thereby fulfills its role in helping the community by offering these opportunities. As a Martin Staffing Services, Inc., intern, you will have the opportunity to obtain vital on-the-job training. We will work closely with your college academics and career placement department on all your required credits and hours needed to get you ready for your business career.

Becoming an intern at Martin Staffing Services, Inc., will provide you with:

- ✓ Skill development learning while you work; you develop your skills and improve your performance.
- ✓ Networking with professionals in the business sector and communicating with people.
- ✓ Gain valuable work experience in business while being a student.

So what are you waiting for?
